

MAKING THINGS INTERESTING

PAINT EVENT INFO.

PROCESS:

Canvases are usually prepared with a drawing of what the painting will be of ahead of time, so we get to spend more time on the painting part of the process. The instructor will guide participants through a step-by-step demonstration and explanation on how to create their painting. These events last about 2 hours and the participants should arrive around 15 minutes early so that they can get settled in. Set-up time for our supplies takes up to an hour before the event and around a half an hour after cleaning up.

PRICES:

For 9in. x 12in. Canvas panels, the rate is \$35 per participant. If you want 11in. X 14in. Canvas panels, the rate is \$40 per person. If you can, we ask that you reserve your event a month in advance and that you pay a non-refundable \$50 deposit when reserving.

The deposit goes towards supplies for your event and the time used preparing for the event. The deposit will be deducted from the final balance.

A minimum # of 4 people is required to reserve a paint event. If you have more than 10 participants at your event, then one participant gets to paint for free at that event!

To see free sample choices of paintings you can visit (click here →) **Making Things Interesting** and click on the Paint Events section. If a custom painting is made for your event, it's an additional \$50.00. This includes the prep drawing on canvases.

OCCASION:

Paint events are a great way to get people together to have a wonderful time and practice painting guided by a professional artist! Some occasions they are used for; Team building, Birthdays and celebrations, Fundraisers and for having fun with family and friends doing something different. Reserve and host an event to have your guests experience an uplifting art activity.
