

MAKING THINGS INTERESTING

PAINT EVENT INFO.

FOR FUNDRAISERS

PROCESS:

Canvases are usually prepared with a drawing of what the painting will be of ahead of time, so we get to spend more time on the painting part of the process. The instructor will guide participants through a step by step demonstration and explanation on how to create their painting. These events last about 2 hours and the participants should arrive around 15 minutes early so that they can get settled in. Set up time for our supplies takes up to an hour before the event and around a half an hour after to clean up.

PRICES:

For 11in. x 14in. Canvas panels it's \$15 per person. If you want 16in. X 20in. Stretched Canvases it's \$20 per person. (You can charge any price to attendees you feel

would be good to raise funds for the cause of your event.) We ask that you reserve your event at least a month in advance and that you pay a non-refundable \$60 deposit when reserving. The deposit covers the supplies for your event and the time used preparing for the event. The deposit will be deducted from the final balance.

A minimum # of 10 people is required to reserve a fundraiser paint event. If alcohol is served participants who drink must be 21 or over.

To see free sample choices of paintings you can visit (click here) [Making Things Interesting](#) and click on the Paint Events section. If a custom painting is made for your event, it's an additional \$50.00. This includes prep drawing on canvases.
